DAYSTAR DERBY

Thanks to so many Daystar families and friends who volunteered and donated their time, talents, and resources to support our 14th Annual Daystar Derby on May 1, 2021.

Our signature Kentucky Derby-themed fundraising event raised more than \$167,000 to support our unique Pediatric Respite Center programs. These funds help us carry forth our mission and support children who don't qualify for other sources of funding.

TEACHER & NURSE APPRECIATION WEEK 2021

We loved this year's Spirit Week celebrating our dedicated Teachers and Nurses. Thanks for sharing your kind words and wonderful gifts, and helping Daystar Kids get silly with our team.

IN LOVING MEMORY

We fondly remember Garrison Worcester, an incredible Daystar Kid who will remain in our hearts forever.

Thank you for your outpouring of support for Garrison's grieving family.
