BRAND NEW DAY AT DAYSTAR KIDS

We're excited for another great year together and are truly grateful to you for entrusting your child's well-being to our dedicated team. We look forward to partnering with you and your child's providers to give them the best early childhood learning experiences possible, and a bright and happy future. We'll be back in touch soon with more information about our upcoming virtual Open House and Family Social Hour events planned for later this year.

COVID-19 SAFETY PLEDGE

New research published by the Journal of American Medical Association (JAMA, 6/7/21) has found higher risk of severe COVID-19 illness and hospitalization among children with complex medical conditions. Protecting your child's health and safety is our top priority and our shared responsibility. Sign and return your Covid-19 Safety Pledge to help Daystar Kids safely operate and maintain our programs during the pandemic.

VISITOR RESTRICTIONS

Visitor Restrictions are now reinstated. Only fully vaccinated individuals are permitted entry and masks must be worn onsite regardless of vaccination status.
